The SRIIT Hyd Technical Club organized a workshop on Letter Writing. The workshop, "Letter writing- an Art", conducted by Dr. Sundeep Patil (Assistant Professor, English, SRIIT Hyd) aimed at enhancing the skills of writing different types of letters both at academic and social.

WORKSHOP ON PRESENTATION SKILLS (Feb 21 & 23, 2024)

It focused on how to craft compelling and effective letters.

Technical Club of SRIIT, Hyd conducted a workshop with Dr. Sundeep Patil (Assistant Professor, English, SRIIT Hyd) on "Effective Presentation Skills for Engineering Students". It was followed by presentation skills by students for implementing the learnings. A lot of improvement was observed in the presentation skills of the students.

WORKSHOP ON PSYCHOLOGY (Feb 24, 2024)

SRIIT Hyd Technical club organised a psychology-session on "Personality threat analysis youth" conducted by Dr. Harikrishna (HOD- CSE, SRIIT, Hyd) and Ms. Laxmi (Assistant Professor, Psychology, SRIIT Hyd).

ART EXHIBITION (Feb 17, 2024)

Fine Arts Club SRIIT Hyd organized an Art Exhibition on 17 Feb 2024. More than 20 artists from students, faculty, and staff of SRIIT exhibited their beautiful and creative artworks. The wide variety of artwork included sketches, water colour paintings, oil paintings, acrylic paintings, crayon paintings and collages. The winners are Neeha (1st), K Pranavi (2nd) and Siri Saharsha (3rd)

Psychology emphasizes the importance of threat analysis in youth personality development. Understanding how adolescents perceive and respond to threats helps in identifying potential risk factors for maladaptive behaviors and mental health issues.
